

Subject Twin Cities R!SE appropriation

Authors Stephenson and others

Analyst Anna Scholin

Date February 15, 2019

Overview

This bill appropriates \$800,000 in fiscal year 2020 and the same amount in fiscal year 2021 from the workforce development fund for performance grants to Twin Cities R!SE for providing individuals in poverty with basic education and job skills training followed by placement in qualifying employment.

Twin Cities R!SE received an equivalent appropriation in the 2017 Jobs Omnibus law (along with additional funds for a transit technician training program).
